Code section 1861.05, and pursuant to Cal. Ins. Code section 1858.3 the Commissioner orders credit to policyholders on excessive premium already paid or monetary assessments to facilitate the refunding to policyholders of excessive premium collected, the second part of the hearing will be held for the purposes of determining the amount of such monetary assessments or premium credits and to ascertain the proper actuarial procedure to be used to calculate such refunds or credits.
- 26.
